

R.C.D.C. ALL JAPAN E-DRIFT CHAMPIONSHIP 2018

CAUTIONARY POINTS

Pit

We prepare tables as pit only for participants. 2 person per table. Obtain your seat after entry check finished order of arrival. You may keep the seat for your friends but must be for participants. One power supply per 2 table (for 4 people). Please bring your own extension code if you need. Carpet floor must not be damaged.

Strongly request you to keep a general manner and avoid the trouble with others especially not related to the event because facility is public and not use for RC circuit in general.

Pit space will open at 9am and close during night time with door locked.

You may leave your belongings except batteries during this event.

Please keep the valuable to yourself.

Tire

You must use tire with printed RCDC logo on outside. Free to use any tire on practice on Friday. Either your own tire or official tire both OK to use. Official practice, qualify and final must use official tire.

Please be aware that RCDC logo may disappear when you use cleaner or rub hard.

RCDC logo will be checked at inspection. Same official tire for both AWD and RWD class.

Free to choose using tire mixing pear for both class.

Admit to lending and borrowing tire between participants.

Purchase official tire also allowed per person per one class per one car with 1,600 Yen.
